

# The Quicks

## Mission Statement:

---

To RELAY with passion the message of the cross to the unsaved because God so loved the world; to DISPLAY the victory that comes from a personal walk with Jesus Christ for the encouragement of the Christian; to CONVEY the love of God shed abroad in our hearts by the Holy Ghost.

## Statement of Faith:

---

- We believe the Bible to be the inspired, infallible, and authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe Jesus was conceived by the Holy Spirit and born of the Virgin Mary. That He performed miracles, led a sinless life, took upon Himself all our sins when He died on the cross. That He rose again and is now at the right hand of God interceding on our behalf.
- We believe that everyone is lost and in need of salvation. That salvation is provided by the grace of God, through faith in the sacrifice of His Son Jesus Christ on the cross.
- We believe a victorious, abundant life is possible through an active loving relationship with Jesus Christ as not only Savior, but Lord. We must pursue a holy life through the guidance of the Holy Spirit.
- We believe that Christ rose from the dead and is coming soon.
- We desire to faithfully serve Him, to share the Gospel, and inspire the church.
